**SUPPLEMENTAL AMENDMENT E**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The prior response in this matter was filed by Patent Agent Haruo Yawata, Limited Recognition No. L0109. It has recently come to our attention that the status of Mr. Yawata's limited recognition to present and prosecute patent applications before the USPTO may not have been current at the time the response was filed. The response was filed with the good faith belief that Mr. Yawata was authorized to do so, and a request and petition relating to the status of Mr. Yawata's limited recognition have been filed. However, pending a final decision on the request and petition, the prior response is being re-filed in the present paper to ensure that the statutory deadline for the response is met. Authorization is provided herewith to deduct any extension fees found to be due in connection with this filing from Deposit Account 500388 (Order No. BWT1G000), conditional on the necessity of the entry of this paper to prevent abandonment of the application. If the Examiner has any questions regarding this filing, he or she is encouraged to contact the undersigned at (510) 663-1100.
